

“GCSE Historians” Google Classroom: student access

The screenshot shows the Helston Community College intranet interface. At the top, the browser address bar displays 'http://intranet/' and the page title is 'HELSTON COMMUNITY COLLEGE'. The main content area features a grid of service icons and links. A purple arrow originates from the title and points to the 'Google Classroom' icon in the bottom right corner of the grid. Other visible icons include 'College Website', 'Google', 'EChalk', 'Careers Programs', 'Tootoot Survey', 'College Intranet', 'learning 4 life', 'Eclipse Library System', 'Digital Leaders Application Form', 'Kerboodle', 'HeadStart Survey', 'Edmodo', 'Staff Area', 'Google Apps', 'Homework Diary', and 'Faculty of Visual & Performing Arts'. The Windows taskbar at the bottom shows the system clock as 12:32 on 19/10/2017.

Student Access Code: **pgqhbd**

- Click on the + sign at the top-right and then click on “Join Class” when the drop-down box appears
- Type in the class access code and away you go ...
