

HELSTON COMMUNITY COLLEGE

ENROLMENT FORM

EXPLANATORY NOTES

In accordance with the Data Protection Act 1998, Education (Pupil Registration) Regulations 1995 and the Education (Pupil Registration) (Amendment) Regulations 2001, the information collected from this form will be used for the purpose of student administration. This data will be held securely and will only be disclosed to staff in the College or the Local Authority, who have a right of access, and the Department for Education (DfE). It may be necessary to share information with other departments within Cornwall Council for purposes connected with or ancillary to your child's education (e.g. school transport). Cornwall Council and the College may also, upon request, pass information to law enforcement agencies for the purposes of the prevention or detection of crime where the law permits this. If a disclosure elsewhere becomes necessary we will contact you before doing this.

SECTION A – BASIC STUDENT DETAILS

Student forename(s) and legal surname must be shown as per the student's birth certificate. If you wish your child to be known with an alternative preferred surname or forename, please indicate in the appropriate box. Any legal change of surname will require documentary evidence, showing consent from all those with parental responsibility or a Court Order.

Indicate details of any siblings who also attend the College at the time of completing the admission form. If any siblings reside at a different address to your child, please indicate in the box provided. You may wish to provide the College with these alternative details.

SECTION B – STUDENT ADDRESS

Please ensure a valid postcode is given. The student address given should be the one where the child typically resides.

SECTION C – REGISTRATION

This area is to be completed by the College – please leave blank.

SECTION D – FAMILY/HOME

Please ensure all sections are completed for both parents/carers. Priority contacts are those with parental responsibility.

Please tick the main daytime telephone number to be used in an emergency.

Parental Responsibility – This means assuming all the rights, duties, power, responsibilities and authority that a parent of a child has by law in relation to the child and their property.

Parents/carers registered on the birth certificate will continue to have equal parental responsibility even if they become separated or divorced, unless it is restricted by a Court Order.

Other people (step-parents, foster parents, other relatives etc.) do not have parental responsibility unless they have obtained it via the courts.

People other than a child's natural parents can acquire parental responsibility through being granted a residence order being appointed a guardian, or adoption.

The parental responsibility of a party does not stop simply because another person is also given it, so, in some cases several people may be regarded, for the purposes of education law, as being the 'parent' of a child.

SECTION E – COURT ORDERS

It is important to include any details relevant to your child to enable the College to understand the student's position if there is a Court Order in place.

SECTION F – ADOPTED AND PREVIOUSLY LOOKED AFTER CHILDREN

If your child is adopted, or has ever been in the care of a local authority, please give relevant details. The government asks all schools to identify these children, in order to ensure that they are fully supported.

SECTION G – YOUNG CARERS

A young carer is defined as **someone under the age of 18 who looks after a family member or friend who has a physical or mental health condition, or misuses drugs or alcohol**. They may also look after brothers, sisters or elderly relatives too. As a College, it is important that we know who these students are, in order to fully support them. Should you wish to discuss this matter, please contact Mrs Melany Mugford, Assistant Headteacher.

Please indicate whether your child is a young carer.

SECTION H – ADDITIONAL CONTACTS

Please list, in order of preference, any other contacts if for any reason we are unable to get hold of contacts in Section D.

SECTION I – STUDENT MEDICAL INFORMATION

We do require the details of each student's registered Medical Practice name, address and telephone number. If you also know the assigned Doctor then please provide details.

It is imperative that any pertinent medical information regarding a student is given to the College. This information will only be used by the College to ensure the safety of your child (e.g. if your child has a nut allergy they do not participate in cooking when traces of nuts are included in the ingredients.)

If you are willing for your child to receive medical treatment in the case of an emergency please tick the appropriate box to show your consent.

College Statement on Care for Students with Asthma

It is in the interest of your child that we work together to ensure your child's asthma is managed as well as possible. With good management your child should rarely suffer asthma attacks and should be able to participate in a full and active College life, free from fear or worry. In order to be able to offer support to every child with asthma, we need full details of their treatment plan and to be notified of any changes.

When assisting your child to overcome asthma, the child will normally take the medicine prescribed by their doctor. However, in emergency cases, there may be occasions when we are unable to reach you quickly. Given the possibility that there could be a life threatening situation, the College would wish to do all it could to assist a child in great distress.

The College has an 'Asthma Emergency Kit' available for such children who are known to have asthma. Given the safety of asthma reliever medicines and the support of the LA/medical authorities for this course of action, the College offers this facility to all children diagnosed as having asthma.

Please let us know if there is any other information you feel we should be aware of.

SECTION J – SPECIAL EDUCATIONAL NEEDS AND DISABILITIES (SEND)

The College provides students with the support that they need to access the curriculum and make progress. When a student is not making the progress expected they will be supported in the first instance by the class teachers. If support offered here does not help the student catch up, further support or intervention will be put in place.

If a child is receiving additional support prior to starting in Year 7 at the College, we will liaise with the appropriate contact to ensure that individual needs are understood and where necessary support is put in place.

If you wish to find out more you will find the 'SEND Information Report' on our website. This is updated annually and outlines in more detail the support that is available for students at the College.

SECTION K – STUDENT ETHNIC/CULTURAL INFORMATION

First Language - Please record the language your child first learnt at home. This information helps the College and connected services to provide the right support for bilingual children. Please also advise us if your child speaks a Second Language.

The codes shown for Ethnicity are set by the DfE and cannot be altered. The data is required for Government surveys.

SECTION L – STUDENT ADDITIONAL INFORMATION

Please only tick one box each for Meals and Mode of Transport. If your child uses more than one mode of transport (e.g. walks for two days and has car transport for the other three days) then please pick the most used as the choice.

Helston Community College operates a cashless catering system, which is designed to provide a more efficient, faster and better quality service. This system incorporates the latest technology and eliminates the need for students to carry cash throughout the day. It is also biometric so there is no need for students to carry a card, as the system will recognise the thumb of your child at the tills and the revaluation pay points. As per current legislation we operate an 'opt in' policy and therefore require you to complete this section of the form. This is also required if your child is eligible for Free School Meals. A four-digit pin code will be allocated to each student at the beginning of the autumn term. Money can be allocated to your child's account via ParentPay, or can be paid into your child's account using the revaluation pay points in College.

Funding from Free School Meals means that we are able to claim additional funding for our College. With this money we could arrange one to one tuition, provide a range of intervention programmes and provide a wider range of enrichment activities.

SECTION M – STUDENT SCHOOL HISTORY

It is most helpful to include full details of your child's previous schools. Please give address, postcode and telephone of the school so we may contact them for pertinent educational records.

SECTION N - STUDENT DATA – YOUTH SUPPORT SERVICES

Your child's data will be shared with Youth Support Services to enable students aged 13-19 to get full support in preparation for when they leave the College.

SECTION O - USE OF IMAGES CONSENT

Conditions of Consent are as follows:

1. This form is valid for the period of time your child attends the College and after they have left. Please write to the school if you wish to withdraw consent at any time.
2. The images we take will be of activities that show the College and children in a positive light.
3. We may use group or class photographs or footage with very general labels e.g. 'Science lesson'.
4. We will only use images of students who are suitably dressed.
5. We will make every effort to ensure that we do not allow images to be taken of any children for whom we do not have permission or who are 'at risk' or disallowed from having their photographs taken for legal or social reasons.
6. We will take all reasonable measures to ensure the images are used solely for the purposes for which they are intended. However we cannot guarantee this and take no responsibility for the way images are used by other websites or publishers or for any consequences arising from publication.

Please note that websites can be viewed throughout the world and not just in the United Kingdom where UK law applies. In giving your consent you understand that images may be used in printed and electronic form.

SECTION P – ICT ACCEPTABLE USE AGREEMENT

I will only use ICT systems in College, including the internet, e-mail, digital video, and mobile technologies for College purposes.

I will not download or install software on College technologies.

I will only log on to the College network, other systems and resources with my own user name and password.

I will follow the College's ICT security system and not reveal my passwords to anyone and change them regularly.

I will only use my College email address.

I will be aware of "stranger danger" when I am communicating on-line and I will not disclose or share personal information about myself or others, such as name, phone number or address.

I will ensure that my online activity, both in College and outside College, will not cause my College, the staff, students or others distress or bring the College community into disrepute, including through uploads of images, video, sounds or texts.

I will support the College approach to online safety and not deliberately upload or add any images, video, sounds or text that could upset any member of the College community.

I will respect the privacy and ownership of others' work on-line at all times.

I will not attempt to bypass the internet filtering system.

I understand that if I bring a mobile phone to College, it should be off and out of sight at all times whilst on site. If I want to bring a tablet or laptop to College for a recognised learning need, then I must seek permission from the SENCO first and, if permission is granted, I will follow the rules as set out in this agreement.

I understand that the College will not accept responsibility for the loss or damage of my personal electronic devices which I choose to bring on site.

I understand that all my use of the Internet and other related technologies will be monitored and logged and can be made available to other staff at the College.

I understand that these rules are designed to keep me safe and that if they are not followed, College sanctions will be applied and my parent/carer may be contacted. I also understand that in the case of illegal activities, the police will be involved.

For the avoidance of doubt where special categories of personal data are collected it shall not be used for the purposes of automated decision making and/or profiling.

For photographs and or videos which are not used for educational purposes, we will seek consent from students over the age of 13, or their parents/carers for younger students, on an annual basis. We will take all steps reasonably necessary to ensure that once your personal data is shared it is treated securely and in accordance with this privacy policy. We will disclose personal data to third parties:

We will take all steps reasonably necessary to ensure that your personal data is treated securely and in accordance with this privacy notice.

Use of CCTV

Helston Community College uses closed circuit television (CCTV) images to reduce crime and monitor the College buildings in order to provide a safe and secure environment for students, staff and visitors, and to prevent the loss or damage to College property. The system comprises a number of fixed and dome cameras.

The CCTV system is owned and operated by the College, the deployment of which is determined by the College's senior leadership team.

All authorised operators and employees with access to images are aware of the procedures that need to be followed when accessing and disclosing the recorded images and sound.

The College complies with the Information Commissioners Office (ICO) CCTV Code of Practice to ensure it is used responsibly and safeguards both trust and confidence in its continued use. The Code of Practice is published at:

<https://ico.org.uk/media/for-organisations/documents/1542/cctv-code-of-practice.pdf>

The planning and design has endeavoured to ensure that the data protection scheme will give maximum effectiveness and efficiency but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.

Cameras will be sited so they only capture images relevant to the purposes for which they are installed (described above) and care will be taken to ensure that reasonable privacy expectations are not violated. The College will ensure that the location of equipment is carefully considered to ensure that images captured comply with the Data Protection Act.

The College will make every effort to position cameras so that their coverage is restricted to College premises, which may include outdoor areas.

CCTV is not used in teaching areas but in the main College reception and secondary entrance access points. Members of staff have access to details of where CCTV cameras are situated.

Recorded data will not be retained for longer than is necessary. While retained, the integrity of the recordings will be maintained to ensure their evidential value and to protect the rights of the people whose images have been recorded. All retained data will be stored securely.

Access to recorded images will be restricted to those staff authorised to view them and will not be made more widely available.

There will be no disclosure of recorded data to third parties other than to authorised personnel such as the police and service providers to the College where these would reasonably need access to the data (e.g. investigators).

Requests should be made in writing to the Data Protection Officer

The data may be used within the College's discipline and grievance procedures as required and will be subject to the usual confidentiality requirement of those procedures.

Retention periods

We will only retain personal data for as long as is necessary to achieve the purposes for which they were originally collected. As a general rule, personal data will be kept for the entire period that a child is a student at the College. Other records (for example, safeguarding or in relation to special educational needs) will be kept for longer in accordance with guidance from the Local Authority.
