### **STUDENT CAREERS:**

Please encourage your child to sign onto Unifrog to explore career pathways and labour market information about jobs and job sectors

# WEB DEVELOPER

Web developers design, build & maintain websites & website applications.

**Salary\***  
£20,000  
to £50,000

**Skills**

- ability to use your initiative
- flexible and open to change
- be thorough, with attention to detail
- analytical thinking

**Subjects**

A great job if you love computing.

**Jobs**

3% more jobs  
nationally by 2023

\* In 2018 the national average salary was £29,000. Remember, this figure will go up or down, depending on where you live.

- ➔ View information on 800+ jobs.
- ➔ Assess your skills using the Skills Map.
- ➔ Use the Course Search or Start with a Subject.

**CAREERPILOT.ORG.UK**

Your parent sign-up code is: **HLCCparents**

This code effectively acts like a one-time pass code so any parent signing up will only need to use it once - the very first time they login. Parents need to click on the words 'use it here' in this box on the right hand side of the 'sign in' page:

**Student account Sign up Code**

If you've been given a Sign up Code, fill in this form to create your own Unifrog student account (or if you're a parent, a dummy student account). For security, Sign up Codes expire 90 days after they've been created.

\* Sign up Code

\* First name

\* Surname

\* Gender

\* Email address

\* Retype email

UK postcode

\* Password

- ✗ At least 8 characters
- ✗ At least one upper case
- ✗ At least one lower case
- ✗ At least one number
- ✗ At least one special character

\* Retype password

✗ Retyped password matches

Already signed up? If you already have an account, please [sign in](#). If you've forgotten your password, [reset it](#).

The sign-up code goes in the top box, they fill in the rest of the details and set their own password. The Sign-up code identifies the user as a parent so they are kept totally separate from your live students (they'll appear on your 'Advanced' page with a leaving year of 2050) - from this point onwards, once their account is set up, they login with their email address and whichever password they set for themselves on the above sign-up page.

## The Work Experience Approval and Consent Form

The approval and consent form is a vital document in this process. Without it being completed accurately, students will not be allowed out on a Work Experience placement. This paperwork must be completed and all Health and Safety checks carried out, before a placement can be agreed and signed off. All forms have been distributed to students in tutor times. All students will have been advised on how to complete the form during tutorial.

|               |   |
|---------------|---|
| <b>Step 1</b> | Parents/carers must complete SECTION 1: <b><i>'Information about the student'</i></b> and the <b><i>'Essential information relevant to Health, Safety and Welfare'</i></b> . Students should keep this form safe until the employer completes their sections.   |
| <b>Step 2</b> | Find a placement using the Vryan website, this will be discussed in tutor times. Students should use this link <a href="https://cornwall.learnaboutwork.net/">https://cornwall.learnaboutwork.net/</a> and the login details <b>Helston Student</b> and PIN <b>6788</b>   |
| <b>Step 3</b> | Once an employer has offered your child a placement, the approval and consent form should be sent to the employer so that they can fill in SECTION 2 with the details of the placement. The employer should also provide a <b><i>'Young person's risk assessment'</i></b> as per SECTION 3. This can either be completed on the form itself or an attachment can be added. The form also acts as an assurance that the employer has checked their insurance cover and Health and Safety Policy by signing SECTION 4. Please note that <b>students are unable to take up a placement with an employer who does not have Employer's Liability Insurance and Public Liability Insurance.</b> |
| <b>Step 4</b> | When the employer has completed the employer sections, the form should be returned to the student. The form should then be signed by both parents and the student to indicate that you and your child agree to the conditions of the placement. Please read and sign the top of page 4 of the approval and consent form.  |
| <b>Step 5</b> | When fully complete the approval and consent form should be returned to Mrs Mugford to be processed, and the information sent to Cornwall Education Business Partnership (EBP). This body is sub-contracted to carry out Health and Safety checks on the school's behalf. <b><i>No student will be allowed out on Work Experience until all the paperwork and Health and Safety checks have been carried out.</i></b>   |

consent form and return it to the College by **Monday 05 December 2022**, so that we have time to carry out all the necessary checks.

Students are welcome to visit me during Tuesday lunch times in the B Block computer room to discuss any aspects of their work experience.

**Please note that during work experience parents/carers are responsible for all travel and lunch arrangements and expenses.**

If you have any questions, please do not hesitate to contact me via email ([mmugford@helston.cornwall.sch.uk](mailto:mmugford@helston.cornwall.sch.uk)).

Further details and all forms can be found on the College website: [https://www.helston.cornwall.sch.uk/web/work\\_experience/623579](https://www.helston.cornwall.sch.uk/web/work_experience/623579)

students will be offered 1:1 careers guidance interviews. At these interviews students will create a careers plan which they can use to support them in their transition to the next stage of education. Students will now be given a printed copy of this plan so they can share their discussions with parents and carers.

If you have any questions with regards to the 1:1 appointments please contact Mrs Gibson our careers guidance advisor via email [wgibson@helston.cornwall.sch.uk](mailto:wgibson@helston.cornwall.sch.uk)

On Monday the 20th of February the Army Air Corp, put on an information session for a group of Year 10 students. They spoke about the roles available within the Army Air Corp, pathways into the Army and the skills needed to be successful. As part of the session students got to develop their maths and team working skills. They also got to try their hand at piloting a helicopter, on a simulator, and managed to take off, barrel roll and, in some cases, successfully land the helicopter.

We are proud to announce that our student leaders have worked with Helston Town Council, to create the first ever Youth Manifesto!

Charlotte Caldwell, Projects Officer at Helston Town Council said, “we are really proud to have worked with such amazing students, to create the first ever Youth Manifesto in Cornwall – the young people have come up with some really compelling issues they need addressing.”

feel more confident in making decisions about their future. We'd love you to join our alumni network and stay connected with the college.

We've partnered with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with their former students.

You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or help with donations, fundraising or even apply to become a governor.

It doesn't matter when you left us, whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – it will only take a couple of minutes.
