Go to: [Unifrog - The complete destinations platform](#), and click on sign in

Your parent sign-up code is: **HLCCparents**

This code effectively acts like a one-time pass code so any parent signing up will only need to use it once - the very first time they login. Parents need to click on the words 'use it here' in this box on the right hand side of the 'sign in' page:

Been given a Sign up Code?

[➤ Use it here](#)

If you've been given a Sign up Code, fill in this form to create your own Unifrog student account (or if you're a parent, a dummy student account). For security, Sign up Codes expire 90 days after they've been created.

OUR COLLEGE CAREERS ADVISOR:

Students in Year 10 and 11 are provided with small group and 1:1 guidance interviews. Year 11 students have started to see our careers advisor and will continue with these appointments throughout the term.

During Year 11 all students will be offered 1:1 careers guidance interviews. At these interviews students will create a careers plan which they can use to support them in their transition to the next stage of education.

Students will now be given a printed copy of this plan so they can share their discussions with parents and carers.

If you have any questions with regards to the 1:1 appointments please contact Mrs Gibson our careers guidance advisor via email wgibson@helston.cornwall.sch.uk

CALLING ALL FORMER STUDENTS

If you're a former student of Helston Community College, we want to hear from you!

Your experiences since leaving could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our alumni network and stay connected with the college.

We've partnered with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with their former students.

You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or help with donations, fundraising or even apply to become a governor.

It doesn't matter when you left us, whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – it will only take a couple of minutes.

Kenneth Aston completed his A-levels at Helston Community College in 2020 and went on to join the Scots Guards. As you can see Kenneth is exemplary in terms of his Guards uniform. Kenneth proudly represented the Guards at the funeral procession of Queen Elizabeth II. His platoon were lining the Mall during the funeral procession and marching to and from Wellington barracks.

Jeremy Deller uses rare and unseen footage to trace connections between strike action, protest and political unrest and the acid house and rave culture of Britain in the 1980s and early 90s. The film documents Deller describing his version of this history to A-Level students in North London in 2018 and incorporates their reactions and questions.

Deller won the Turner Prize in 2004 and represented Britain at the Venice Biennale in 2013. He lives and works in London. Over the past three decades he has produced a number of remarkable large-scale public realm projects, exploring various facets of pop culture and history.

Jeremy Deller will give an artist's talk at CAST on Wednesday 28 September. Check our website for details and booking.
