Dear Parent/Carer

Year 13 Drama Revision Sessions

As you know your son/daughter has opted to complete an A Level in Drama. This course comprises 60% practical coursework and 40% written exam.

I am planning to run revision sessions for Year 13 to help them prepare for the written exam. I feel that if we address any challenges early in the year, we will have a positive impact on their confidence and ability during the written exam in the summer.

The theory sessions will be running on different dates to enable as many students as possible to attend. I am aware that many will have after school commitments so by varying the date hopefully all will be able to attend at some point.

I have also scheduled an extra session to help any students who would like some more support with their working notebook for the devised unit.

I very much appreciate your support at such a crucial stage in the course. I would be grateful if you could complete the slip below and return it to me in the Drama Department as soon as possible.

Yours faithfully,

MSPMK
