Having received your results, if you are unhappy with your grade – **FIRSTLY SPEAK TO YOUR TEACHER** to discuss the several Enquiry About Results (EAR) options open to you. The fees exam boards charge for the above services are per paper / unit:

You should be aware that if you ask for a remark your grade may go up OR down
You will, therefore be asked to sign a Candidate Consent Form confirming that you understand the possible outcomes of your request.

You can ask for a photocopy of your script to be returned to have a look at before deciding whether to ask for a remark. The deadline for requesting this photocopy is **23rd August** – *copy will be sent to HCC by 10th September*

If you ask for the original script it's cheaper but this can take until November to arrive.

The deadline to make all other Enquiry About your Results is 14th September

All enquiries, **once discussed with your teacher**, should be made through Hannah-Jane Varker, the Examinations Manager who will complete the correct procedures with you on receipt of a cheque (made payable to Helston Community College) or cash for the correct amount (see table above).
