

3rd March 2017

Dear Parent/Carer

A2 Geology Fieldwork Visit: Bude Coastal Geology – Wednesday 29th March 2017

On Wednesday 29th March, we will be visiting the Bude coastline, to view structural landforms and sedimentary geology in support of this year's examinations. We will be departing from College at 8.00am and travel by College minibus, driven by myself, to the site. We expect to return to College by 5.00pm. Due to the cost of fuel for this visit, we are asking a parental contribution of £10.00 which can be paid through our ParentPay system.

To carry out the fieldwork, students will need to ensure that they have suitable footwear for working on uneven rocks and clothing to suit the weather conditions.

I would be grateful if you could complete and return the attached reply slip by Friday 24th March.

In the event of an emergency, we will be referring to the Parental Consent Form that you completed for use during this academic year, commencing September 2016. If there have been changes to any information you have submitted about your contact details or your child's medical needs, then please request a replacement form from reception. This must be submitted prior to the visit.

If you have any questions regarding this trip, please contact me via the College mainline: 01326 572685.

Yours faithfully

Mr M Quilter
Geography Teacher
