

21st February 2017

Dear Parent/Carer

I would like to offer your daughter the opportunity to compete in the GCHQ's CyberFirst Girls Competition 2017, inspiring the next generation of girls to consider a career in cyber security.

The CyberFirst Girls competition is for girls aged 13-15, who take part online and compete with teams from across the UK. The top ten teams will be invited to an all-expenses paid Grand Final, which will take place in London, with the opportunity to win £1000 of IT equipment for the College, plus great individual prizes for our team of four girls.

The online competition runs from 27th February to 6th March 2017 and the teams will be able to use the computer room (D1) to compete after College, from 3.30-5.00pm throughout these dates.

If you require further information, please do not hesitate to contact me.

Yours faithfully

Mrs Laura Hocking
Computing Teacher
