

31st October 2016

Dear Parent/Carer

Revision Workshop – Tuesday 8th November 2016

Further to our previous letter, I am writing to confirm the details of the workshop below.

We are running a revision workshop for parents/carers only on Tuesday 8th November between 2.00pm – 3.00pm at College in C32 (North Site). The workshop will be run by myself and Mr Eugene McFadden (Operational SENCO), alongside our guest speaker, the County Dyslexia Advisor, Jo Davidson.

During the workshop, we will be introducing accessible revision techniques to aid your child's learning. These techniques will be explained and demonstrated by students and staff. Refreshments will be available.

If you are interested in attending the revision workshop, then please complete the tear-off slip below, if you haven't already done so.

If you could come to North Site Reception, I will meet you there.

Yours faithfully

Caroline Bloor
Dyslexia Champion
