

24th February 2017

Dear Parents and Carers

Flora Day - Saturday 6th May

Although it might seem a long way away, it is time to start our preparations for this important day. Last year, Helston Community College was represented by over 600 dancers and as you can imagine this takes a lot of organisation!

Some Year 7 students will have danced at Primary School and may wish to stay with the same partners. Others will be having their first opportunity to take part. Would you please let me know on the form below if you would like your son/daughter to dance, together with the names of their partners? It is obviously very helpful to us if sets of four can be arranged in advance because of the numbers we are dealing with. Please also note whether the person is Helston born or not (this means the child's parents were resident in Helston at the time of birth).

I will need to have a reply by Monday 6th March, so that we can organise the students into order and begin rehearsals. Please give your reply to Mrs Nelson, Head of Progress, or Miss Cann in the South Site Office. I shall be writing to you again to let you know full details of dress, times and meeting places.

Yours faithfully

Mrs P Renyard
Flora Day Coordinator

Mrs J Nelson
Head of Progress – Year 7

✂.....
Flora Day - Saturday 6th May - Year 7

Student:Tutor Group:

I would like my child to take part in the Flora Day dance.

Is your child Helston Born? YES/NO

Has your child danced before? YES/NO
