Dear Parents and Carers

There has been a case of head lice reported in your child's year group.

Please take the following steps:

- Check your child's hair with a detection comb
- Treat only if head lice are found
- Daily combing of hair with conditioner using a fine tooth comb or nit comb can be effective in helping get rid of head lice and eggs
- Keep a check on family members
- Ensure your child's hair is tied back at all times in College
- Report any infestation to the College

If you have any questions or concerns, please contact our College Nurse at jtwynam@helston.cornwall.co.uk.

With many thanks

Yours faithfully

Jane Twynam
College Nurse
