

26th September 2016

Dear Parent/Carer

As you are aware, the Governors have been exploring setting up and becoming part of a Multi-Academy Trust in partnership with other local co-operative schools.

The initial consultation meetings, which followed a variety of information sessions and documents on the school's website, have given some clear feedback for the Governing Board to consider. Among this was the request for further information; in particular the Scheme of Delegation, the Articles of Association, the Funding Model and a list of potential drawbacks. These are available for you to review on the school website from 26th September. Following the opportunity for you to review the documents, we will be holding a drop in session at the college at 4pm on Thursday 6th October, for you to have a further opportunity to have any queries or comments addressed. Alternatively, you can send any comments you wish governors to consider as part of the consultation to Mrs Sarah Bayes, Clerk to the Governors, at sbayes@helston.cornwall.sch.uk.

The responses from the initial consultation period are on record and any further comments will be added to these for governors' consideration.

Yours faithfully

Mr Chris Webb
Chair of Governors
