

8<sup>th</sup> May 2017

Dear Parents/Carers

**Parents Information Evening for the Normandy Trip - July 2017**

Less than 3 months to go before the trip! Many thanks to those of you who have completed all of the forms and finalised your payments.

I would like to invite you all to a **Parents Information Evening** on **Tuesday 6<sup>th</sup> June** at **6.00pm in the Main School Hall (North Site)**. This will provide an opportunity for you to meet the accompanying staff and to find out more about the trip, including the itinerary, travel details, accommodation, pocket money, and kit list. There is plenty of room for everyone so you are all most welcome to attend with your children. I will be at the hall from 5.45pm and I would appreciate a prompt start at 6pm, so that the meeting does not last much more than half an hour.

Please could you bring your child's **EHIC card** to the meeting for collection and safekeeping.

If you are unable to attend, please could you ask your child to see me at College as soon as possible after the meeting for information and to hand in their EHIC card.

I very much look forward to seeing you.

Yours faithfully

**Mrs A Graham**  
**Modern Languages Dept**
