

13th June 2016

Dear Parent / Carer and Student

University of Exeter – Monday 20th June 2016

We are taking all level 3 students in Year 12 to the University of Exeter, Penryn campus, on Monday 20th June. Students need to attend an important extended briefing at 8.45am in the north site hall, after which we will be leaving college and returning by 3.00pm. Students will need to bring a packed lunch with them.

The campus visit is an annual event and an essential part of students' information, advice and guidance in Post 16. Previous years' students have found the visit an invaluable experience and also highly enjoyable. It is an opportunity to find out more about what university is like and what to expect. The day will consist of a campus tour, a student life presentation, and a budgeting workshop. There will be ample opportunity to speak to ambassadors who are current students at the university: another chance to find out about university first hand.

All level 3, year 12 students are expected to attend, as this is part of our careers programme; students who are not considering university currently, may wish to apply in the future. We will also be offering a range of alternative options in the coming weeks and months, including information and guidance on apprenticeships and military pathways.

Please sign and return the slip below. Without the signed consent form below, students will be unable to participate in the visit. If you have any further queries regarding this beforehand, please do not hesitate to contact me on 01326 575022.

Yours faithfully

Mr B Oldfield
