Dear Parents and Carers

I wrote to you last month to explain the grave concerns that I have over future funding proposals for our schools and others in Cornwall. Thank you to those of you that have contacted our MP, and to others that have signed the petition.

Across England, there are similar concerns being expressed by Headteachers, governors and parents/carers. Parents/carers and heads in Cheshire have been demonstrating, and heads and governors from across the country including Barnsley, London, the South East, East Devon and Cornwall have been on national and local news broadcasts.

Since I last wrote to you, we have been working hard with Headteachers in Essex, East Sussex and West Sussex, and this afternoon schools in each of the four counties have written again to their MP - please see a copy of the letter on the website that I have sent to Mr Derek Thomas MP this afternoon.

The Governors and I are extremely concerned about the impact of the proposed National Funding Formula due to come into effect in April 2018. The budget pressures that Cornwall's schools are already facing is difficult; on Sunday, over 27,000 tweets meant that #whatwouldyoucut was trending on Twitter as Headteachers and Governors in England posted photographs of things that face being cut if the proposed funding plans come into place.

If, on reading the letter, you have any queries at all, please do not hesitate to contact me.

Yours sincerely

Mrs Donna Bryant
Executive Headteacher
