

26th March 2018

Dear Parents and Carers

Many of you will be aware that over the past year, alongside my role as Executive Headteacher of Helston Community College, I have taken the lead in establishing the Southerly Point Co-operative Trust, the Multi-Academy Trust to which our College belongs with 14 other local schools.

From April, I will take up the role of CEO of the Trust on a permanent basis, and Mr Jenkins will take up the full role as Headteacher of the College. He has been very effective as Head of College, is passionate about the students and staff, and will provide continuity and fresh vision as he leads the College forward. He and the Senior Team have my full confidence.

It has been a huge privilege to be Headteacher at Helston for almost 4 years. I have loved the role; have enjoyed coming to work every day and being a part of the lives of our students, and have worked with a superb team of staff.

In my role as Head of the Trust, I am responsible for facilitating excellence in all of our schools, ensuring that a child's experience of school is not a postcode lottery, and that the co-operative values continue to underpin our work together. Part of this involves visiting the schools regularly to offer support and challenge to the Heads and working alongside them. Our offices are on the College's South Site, so students will still see me, and I will take a keen interest in all they are doing.

I would like to thank you for all your support and encouragement over the past 4 years, and for the privilege of being a part of your child's journey, with you and your family.

Kind regards

Mrs Donna Bryant
CEO
