19th September 2017

Dear Parent/Carer and Student

Helston Community College Post 16 Open Evening – Thursday 5th October 2017

We would like to invite you to Helston Community College's Post 16 Open Evening on Thursday 5th October from 6pm to 8pm to give you an opportunity to explore the wide range of courses we offer. Helston Community College has a long and successful tradition of high quality Post 16 education, offering a diverse range of courses.

The evening will consist of three introductory presentations from the Head of College, Mr Wayne Jenkins, the Director of Post 16, Mr Dave Dudley and the Student Leadership Team. The presentations will be held at 6pm in the Main Hall on North Site. This will be followed by the opportunity to discuss the courses on offer with experienced Post 16 staff in the Sports Hall, where you will also have the opportunity to meet with current Post 16 students. If your son/daughter has not yet clarified options for next year, this is a great opportunity for you to take some advice and consider all the possibilities.

Deciding where to continue education and training is an important decision, and we believe that your son/daughter will find learning with the College a new, exciting and challenging experience which is very different to school. We value each student, and at Helston Community College we believe our strengths lie in the support and individual attention we give to each student.

Your son/daughter will receive a Post 16 Information Booklet before the Open Evening, but you will also be able to download a copy of the 2018/19 prospectus from early October by visiting our website at www.helston.cornwall.sch.uk.

If you would like further information about the Open Evening, courses, qualifications and training opportunities available at the College, please contact Mrs Rowe in the Post 16 Office on: 01326 575022 or email: jrowe@helston.cornwall.sch.uk.

We look forward to seeing you on Thursday 5th October.

Best wishes

Mr D Dudley
Assistant Head Teacher: Director of Post 16
