Dear <Parental Salutation>

<Pupil Name> <Tutor Group>

As the summer 2018 GCSE examinations rapidly approach, we have planned a revision programme for all students. Experience has shown that students perform better in examinations if they keep completely focussed right up to the exam itself. As a result, students must attend College as normal until Friday 25th May 2018. After half-term, on Monday 4th June, students will only need to attend College for the lessons in which the examination has not yet been taken, any additional planned revision sessions, and of course their examinations.

Attached to this letter is an outline of the exams and lessons that are taking place after the May half term.

The last official day for the End of Key Stage 4 (Year 11) is Wednesday 20th June. On that day, students are requested to come into College to complete the End of KS4 Form and must return all books and resources, which belong to the College. Students will need to arrive in College at 8.45am and report to the Main Hall to collect their End of KS4 Form. There will be a short assembly, where students will receive their Record of Achievement. We anticipate dismissing the students by 12.00pm. Students will not be required to wear College uniform on this day and we would gratefully appreciate any donations of uniform. **NB: Students are required to wear College uniform for all classes and exams prior to the 20th June. ALSO, Further Maths students will be required to attend on Thursday 21st June for their exam.**

We would like to wish «Forename» every success in <his/her> exams and look forward to the enjoyment of the Year 11 Summer Ball on Friday 22nd June at the Tregenna Castle Hotel in St Ives.

Yours sincerely

Ms C Hurley-Gale
Head of Progress – Year 11
