Dear Parent or Carer

Key Stage Three English Revision Books

Revision guides and workbooks are a very valuable tool for developing a student's reading and writing skills outside of the classroom. The range on the market is vast and often confusing; to solve this problem, we have identified one, which we feel covers all the essential topic areas for GCSE.

Produced by Letts Educational Publishers, these books will give your child the opportunity to revise and practise the full range of skills that are essential for success at Key Stage 3, and form the basis of the GCSE English Language and Literature courses taught in Key Stage 4.

We have a limited number of the following books in stock:

KS3 Success: English Revision Guide

- Covers all aspects of reading and writing skills.
- Student friendly presentation and clear guidance.
- Some opportunities for skills practice.

KS3 Success: English Workbook

- A variety of different exercises to practise the skills covered in the revision guide.
- Answers are included to encourage self-assessment and aid parent support.

The books are intended to be used in conjunction with one another, and it is our feeling that the best results can be gained this way. However, if you would prefer to purchase only one book, the revision guide works well as a stand-alone book for reference and consolidation of understanding.

We are selling the set of books (revision guide + workbook) at a cost of £9.98. We will be selling the workbook individually at a cost of £4.99

If you would like purchase these books, please do so via ParentPay. As previously stated, we have limited numbers available and these will be given on a first come, first served basis. Your child will receive their revision guides through their tutors.

Yours faithfully
