

11th June 2018

Dear Parents/Carers

Helston Community College Sports Day, Wednesday 4th July 2018

Helston Community College Sports Day will be taking place on Wednesday 4th July. The format of the Sports Day has changed this year and will feature more activities in which students can participate. These include football, endball, rounders and tug of war; as well as track and field-based athletics events.

Due to the increased amount of events Sports Day will be a whole day event with all students expected to arrive at college wearing their PE kit ready for the activities. Students are also encouraged to bring a coat/tracksuit, sun cream, a hat, a refillable drinks bottle and a packed lunch.

The college canteen will be serving food during the day from a marquee on the field. This will include a range of cold and hot food snacks and also bottles of water. However, due to being based on the field students will be unable to use the cashless system for making purchases. Any students wishing to buy food will need to bring cash with them. Students eligible for Free School Meals will be able to acquire food from the marquee up to their normal value.

All activities will be taking place on the field beside the fire station. We welcome parents and carers to watch the students perform. All visitors will need to sign in at the college's north site reception before arriving at the field. The main access point will be the crossing opposite our north site building. Please note that parking in this area is limited and it is important to keep access clear by the roadside to help the Fire Service. Approximate timings of all events are displayed overleaf.

Many thanks for your support of Helston Community College's Sports Day.

Kind Regards

M Woolcock
