MARCH 2015

Easter Revision

For the first three days of the Easter break the college will be open in the mornings to provide additional lessons, preparing students for their exams. The sessions are open to all year 11 students. The timetable below shows when the sessions are running. Some departments are also running controlled assessment sessions and if students have been informed of the need to attend these sessions then they should take priority over the revision activities. Different topics will be covered on different days so students could revise maths on Monday, Tuesday and Wednesday, although most students opt to revise a range

of different subjects over the three days. The students have been very positive about the Easter revision school, but I must emphasise that students should be revising independently at home in addition to using the support on offer at college.

Controlled assessments, practical examinations and practical projects nearing completion

It is the time of the year when various practical projects come to fruition and are completed. In many ways it is a very exciting time to see how the efforts in class have led to some exceptional pieces of work.

Megan, Carmen, Matt, and Megan produce some amazing dishes.

Graphics and textiles students working hard on the exam pieces.

James, Rowan, Chris and Robert show off their skills and projects.

Uniform reminder - from the Head Teacher

We would like to remind parents of the Uniform Policy. With the coming of the better weather, if your daughter chooses to wear a skirt it **MUST** be of knee length i.e. 22". If you therefore need to replace your child's skirt, you can purchase these via the college. Please contact Mrs Graham. Blazers and ties should continue to be worn throughout the summer – these of course can be removed in classrooms at the discretion of the classroom teacher.

The year 11 Summer Ball

Date: Thursday 25th June 2015

Price: £30

Location: Tregenna Castle, St Ives

Year book photo request

A team of prefect are busily producing the year book. If you have any photos of the students on trips or when they were younger, please bring them into to college. The year books will have other photos and information reflecting the last five years and will be available for collection on the results day in August.
