Year 7 Catch-Up Numeracy and Literacy Plan for 2016/17

The numeracy and literacy catch-up grant gives schools additional funding to assist Year 7 students who are identified as needing support to progress to the same levels as their peers. The catch-up funding is designed to ensure that students, who have not achieved their potential at KS2, are not disadvantaged by this, and are provided with the same opportunity and equality to be successful learners.

Overview of the Year 7 cohort:

- Total number in the Year: 232
- Total number of students eligible for catch-up funding: 37
- Amount of funding received per student: £500
- Total amount of funding: £18500

Actions	Who	When	Impact on the Gap	Cost	Update	Further action needed
Key actions to close the gap	Key person leading this activity and the staff involved	Timescales for completion and evaluation	Criteria for evaluating impact	Funding from the PP Budget	Half-Term Update on Actions	What more needs to be done?
To improve the literacy levels to that of non-catch up students. This will be achieved by the appointment of an English tutor to work with Catch-Up students on literacy skills.	Pupil Premium Coordinator in conjunction with the Head of Faculty for English.	July 2017	Students have been identified through their prior attainment, and will receive support from the English Additional Support Tutor. Students will be pre and post-assessed to show progress.
