

21st September 2018

Dear Parent/Carer

To help support your son/daughter as they prepare for their GCSE English Language examinations, I would like to invite you to attend our 'Meet the Examiner' workshops, intended to give parents and carers a real insight into the assessment criteria and examination papers prior to the mocks in November. These will be interactive sessions to allow you the opportunity to engage with the assessment materials and explore the skills required to complete the exams successfully. The workshops we are offering this year are as follows:

English Language Paper 1: 2nd October at 6pm in the North Site Hall at Helston Community College.

English Language Paper 2: 30th October at 6pm in the North Site Hall at Helston Community College.

The session will be led by Ms. A Goodall, who is Assistant Principal Examiner for the English Language qualification and has over 20 years' experience examining GCSE English Language at a senior level. Workshops intended to support the teaching of English Literature will take place in the Spring Term 2019.

If you wish to attend, along with your son/daughter, please return the reply slip to Mrs Renyard in C33 or Ms Goodall in C5 no later than Friday 28th September, to confirm your attendance and reserve a place.

Yours sincerely,

Mrs P. Renyard
Head of Faculty - English
